

# Vehicle Acquisition and Leasing

# TRACY's Keeping It Clean

GSA Automotive's TRACY (Trash Collection and Recycling Equipment Available Commercially For You) provides customers with a full range of waste disposal vehicles, accessories and trailers for collection and disposal of refuse from construction sites, curbside recycling, hazardous waste and liquid waste, such as spills in the road.

Vehicles under TRACY can be obtained under Vehicular Multiple Award Schedule 23 V. We have contract coverage from vendors supplying industrial vacuum loaders, combination jet vacuum machines, catch basin cleaners, recyclable solid waste trailers, refuse collection trucks, waste disposal vehicles, vacuum tank trucks and hydraulic unload recycling trailers.

Our refuse collection trucks are available as front, rear and side loaders to allow for versatility. Multiple designs are available from simple to cutting edge technology. Some models come equipped with split bodies which have separate compartments with independent dump capability.

We have combination sewer cleaners and industrial air machines with a variety of available options, as well as many of the industrial vacuum loaders that allow for high dump into containers and roll-offs.

The recycling trailers come in a variety of models designed for curbside as well as drop off locations.

They are available with multiple compartments or interior dividers. Some models have key lock side unloading doors. These trailers are designed for easy operation.

For more details on any of our vehicle products under the TRACY program, visit GSA's Schedule's E-Library at: [fss.gsa.gov/e-library](http://fss.gsa.gov/e-library). You may also obtain additional information on our various vehicle programs from GSA Automotive's website at: [fss.gsa.gov/vehicles/buying](http://fss.gsa.gov/vehicles/buying).

For more information, please call:

**Customer CARE**  
**(703) 308-CARS**

# CATHY Can Haul It

GSA Automotive's **CATHY** (Commercially Available Trailers Here For You) program covers our entire line of trailers, which include: dry cargo van, lowbed, platform and gooseneck trailers.

CATHY covers a broad spectrum of trailers with various sizes, lengths, and hauling capacities up to 50,000 lbs. The trailers are configurable to meet nearly any of your heavy hauling needs and can be customized with many options.

The van semi-trailers included in this program are available as dry or refrigerated, and in single or tandem axle.

The CATHY program is covered by Special Item Number 023-101 on GSA Multiple Award Schedule 23 V. For more information on the Schedule 23 V, see GSA's Schedules E-Library at:

[www.gsaelibrary.gsa.gov](http://www.gsaelibrary.gsa.gov) or visit GSA Automotive's website at: [fss.gsa.gov/vehicles/buying](http://fss.gsa.gov/vehicles/buying).

# Single-Gas Monitoring— The Detector with Universal Appeal

*An astronomical list of features.  
Innovative design. Small size. Low price.*

The new PULSAR Maintenance-Free Single-Gas Detector has them all! Providing a 24-month service life for CO, H<sub>2</sub>S and O<sub>2</sub>, it's durable, reliable and easy to use. Best of all, it's made by MSA, the industry leader with more than 85 years of experience.

#### The PULSAR™ Single-Gas Detector features:

- Maintenance-free, two-year service life
- No accessories needed for gas-response tests
- Reversible clip design for strong attachment to cloth, belt or helmet
- Highly stable, stainless-steel, thin-profile patented sensors
- Long-life lithium battery
- Large, easy-to-read, numeric end-of-service-life indicator
- Durable, designed to withstand 6-ft. drop test
- Water and dust resistant, designed to meet IP54 rating
- Distinctive audio, visual and optional vibrating alarms

For more information,

# Why SOG?

Schedule

Contract No. GS-06F-00131

Feel the smooth power of gear-driven compound leverage.

For over 17 years we've been creating the strongest multi-tools on the market and the knives that make your buddies drool. We don't settle for ordinary. We never did and we never will.

## Multi-tools

SOG tool owners don't just love their SOGs, they depend on them everyday for the expected and unexpected. SOG makes the only multi-tools in the world with one-handed flip opening and gear-driven compound leverage for double the plier power. We have also invented the world's first and only push-button SwitchPlier. From our miniatures to our industrial models, SOG has a multi-tool for every vocation.

## Fixed Blades

SOG is the world's leader of specialized fixed blade knives. All of SOG's fixed blades offer superior sharpness, styling, feel and balance. This is why the US Navy SEALs and other elite forces choose to carry SOG fixed blades on fronts around the world. We also realize that you require knives to fit your everyday use. That's why we continue to develop new products and configurations to keep you prepared for anything.

SEAL Pup

## Folding Knives

You want cool? Okay, how about award winning folding knives that combine experimental design with precise engineering? SOG takes risks to bring you technological advancements such as the Arc-Lock™ advanced blade locking mechanism, adjustable pocket clips, lightening-quick one-handed blade access, and our new concept of assisted opening folding knives.

Governmentwide Employee Relocation Services  
Schedule 653

For more than 10 years, government agencies have been trusting Metrica to coordinate national and international relocation services for their employees. In turn, those employees have entrusted us with precious belongings that make every place they go a place to call home.

Metrica prides itself on employing only CHAMPS-certified companies to pack, crate, ship and store household goods and personal effects. We also see to it that those items arrive and are unpacked in satisfactory condition.

We will see to it that door-to-door service is provided in order to ensure a seamless relocation experience for our clients' employees. We can provide pre-move counseling, preparation of shipment and invoicing documents, on-site inspections at point-of-origin and destination, and should the need arise assistance with claim preparation and settlements.

We are happy to provide a customized quality assurance plan to ensure our clients' needs and requests are met. With Metrica, you can count on a total relocation management experience that will have you seeking us out again and again.

- Over 10 years of experience coordinating national and international relocation for government employees
- Use of CHAMPS-certified companies
- Door-to-door (portal-to-portal) service
- Customer satisfaction and a seamless experience are our primary goals
- Total relocation management
